

WEST GRIMSBY TEAM MINISTRY WEDDING MUSIC SUGGESTIONS

The following are a few suggestions as to the music to be played at your wedding but they do not have to be used in the sections as suggested below if you don't want to as most of the pieces can easily be moved around for your own requirements. Please do not feel restricted to picking solely from this list and if you have any ideas of your own as to the music to be played at the ceremony, then please don't hesitate to speak to the organist. If this is the case, please let the organist know in plenty of time prior to the ceremony. If it is something particularly unusual, then **you will have to provide sheet music** for it and again, the organist would appreciate having it in plenty of time prior to the ceremony.
